## How to join Japanese Language Class

✎ The class may not have vacancy or may be canceled due to the schedule of the venue, so make sure to call the contact person of the class in advance.

✎ It may be helpful if you ask your family or friends who can speak Japanese to be with you when you are making a call for the first time or attending the first class.

✎ If you are going to be late for the class or not being able to attend due to an urgent matter, you should call the contact person before the lesson starts.

✎ Each class has their own rules. If you are not sure about the rules, don't hesitate to ask about them.

✎ Everyone can be nervous at the first class. Just take it easy, enjoy and try to continue the class!
